

# Patch and Totem/Logo Design Contest

We are looking for an original design that captures the spirit, energy, and brotherhood of the Order of the Arrow and Scouting in our section.

- It does NOT need to be an animal
- Or, it could simply be a unique design
- It needs to be timeless – we need to be mindful that there the physical boundaries of our Section may change in the future.
- It should not be similar to any of the totems already used by the lodges in our Section.
